Fourth Annual Corn Roast - August 26th, 2007- Tamwoth, ON

Thank you Vern and Karin for hosting our Annual Corn Roast this year! Your home on the lakefront provided a peaceful, relaxing atmosphere and the weather was exceptional!

Vern the corn from Picton was superb and cooked with savour. It was very much enjoyed/appreciated by the twenty (20) members and guests(Jack's brother and girlfriend from California) that attended.

Thanks to Wes/Karen, Earl/Agnes and Bob/Fran for food arrangements!

Very special thanks to those of you who attended to support this Division Annual Social event.
