Summer bbq - 15 JULY 2009 - MAITLAND, ON

The Annual Summer BBQ was held on 15 JUL 09 at Dick and Judy's in Maitland, ON. Thirty-two members and guests attended this year. Several veterans from Perth, On (Ottawa Division) joined us this year, as well as Supt. Jennifer Strachan, newly appointed Officer in Charge of the North East District RCMP, Kingston and her fiancé, Cameron McCauley, and Sgt. Andy Harper Acting Kingston Detachment Commander and his wife Jeannine.

Many "then and now" conversations prevailed!

The weather was co-operative for this special annual event again this year. The Esprit-de-corps and Camaraderie was prevalent!

Judy, your planning and arranging the delicious salads and desserts with our Associate ladies was praiseworthy.

A special thanks to you: Dick and Judy for hosting this annual popular social event.

Photographs will follow from Jack and posted on our website www.rcmpvets-kingston.ca Photo's were taken by the Perth attendees and will be forwarded to 'The Spirit'.
